

The image features a dark blue background with a fine, pebbled texture. Several decorative elements are scattered across the frame: a large, stylized diamond shape in the upper left, composed of multiple overlapping diamond outlines; a smaller diamond outline at the top center; a diamond outline at the bottom left; and a small diamond outline near the center. A diagonal band, also with a pebbled texture, runs from the bottom left towards the top right. The word "BULLDOG" is embossed in a bold, serif font along this band. Below the band, the number "62" is embossed in a large, stylized font.

DEDICATION

We, the seniors of South Girard High School, seeing our high school life in retrospect, pause to acknowledge a debt that we owe to our parents of all South Girard students. By work and sacrifice you gave us our opportunity of gaining an excellent high school education.

We hope that in looking over this annual, you will perhaps recapture some of the glamour of your own school days, and at the same time gain a fuller understanding of the studies and recreation of South Girard High School. For this reason and because we know that our family life and our school life are closely linked, we affectionately dedicate our 1962 annual to you —
The parents of South Girard High School.

ACKNOWLEDGEMENT

We have cleared the site and laid the foundation now it is left up to us to build. Being true to our motto we now realize that the time is at hand when we inevitably cannot and will not sit idly by and let time pass on without making this acknowledgement.

We the graduating class of "62" would like to acknowledge the P.T.A., the community and its entirety for it, indefatigable effort to promote our school program.

Dear Students,

As you use this book in the future to remind you of pleasant memories and friendships, we hope it also can serve to recall the primary purpose of the public school. This purpose is to the fullest of his capabilities so that he may become a worthwhile, contributing member of society in the community where he lives. We hope you will be able to know that your school has helped you in this development.

Sincerely,

DAVID SELF

CLASS HISTORY

BY EDNA CANNON

It was the year September 1958, when our class entered the Corridors of the South Girard High School, filled with excitement, we began those wonderful High School Days.

As we entered the corridors we were filled with anxiety with the challenges that confronted us.

Our class became the largest Freshman Class ever to enter the corridors of South Girard High School, because of the many students being transferred from the Phenix City Elementary & Junior High School.

Under the careful guidance of Mr J S Abron, Mrs J Rowell, Mrs A C Posey and Mr E Bailes, we were soon able to overcome our fears with much ease. Most of us became active members in the various Campus activities. Frank Bellamy, William Daniels, Tom Harris, Larry Miles, Johnny Hill, Leroy Pearson, Joseph Austin, James Adams, and Leroy Carter represented us in basketball. Frank Bellamy, Albert Lee and James Jenkins began their career in football. Daisy Benton and Erma Sellers became members of the cheering squad. Some of us became interested in music and joined the band. These music lovers were Lucile Morris, Louise Madden, Bessie Allen, Geraldine Chambers, Helen Black, Gloria Ezekiel, James Feagins,

Harry Cox, James Jones, Austin Sumbry, Charles Comer, and Willie Wright. At the close of our Freshman year we lived with much eagerness to return to school in September.

At the beginning of the next year, we became Sophomores. We Griggs, Curtisteen Walker, Bessie Ailen, and Jimmy Edmond became presidents. We were now inclined to put our talents and skills to good use. Our sponsors were still, Mr Abron, Mrs Rowell, Mrs A C Posey and Mr E Bailes. Identities of the four sections.

Our football and basketball teams were superb. Gloria Ezekiel, Lillie B Williams, Bobbie Williams, Bessie Allen and Geraldine Chambers became News Commentators. Bobbie Williams and Carrie Stafford became high stepping Majorettes; Winston Goggins Drum Major.

After working so hard we were at last Seniors. Each of us had that dignified expression, and we felt that we were ready to confront the challenge of the world. Our sponsors were Mr. R. Lowe and Lester Mason. Tom Harris was still our president. Those of us who had started out as mere members of the campus activities were now the leaders. Our football and basketball teams were "Great Stuff", with such players as Frank Bellamy, Tom Harris, William Daniel, Albert Lee. Sam Belamy, Larry Miles, Edgar Jackson, George Stickney, Anderson Mack, and James Adams. Curtisteen Walker. Daisy Benton still with the cheering squad with Curtisteen Walker the Captain. Bobbie Williams, Carrie Stafford, Helen Black, Margaret Gosha, Mary Epps and Joann Lewis were Majorettes. Winston Goggins Drum Major and Edna Cannon still halftime announcer. Edna Cannon was crowned "Miss Blue Streak" with Catherine Phillips and Gloria Ezekiel attendants. Carrie Stafford was elected "Miss Sweetheart" and Ida Griggs won the title of "Miss Senior".

Leon Todd and Geraldine Chambers represented us in the 1962 Jabberwock, and Edna Cannon won second place in the Second Annual Oratorical contest. Some of us were still outstanding members of the band.

As the time takes its tolls we retrospect over the four years we have been striving. We started out as a great and large class, we have lost some and gained some.

We have now made history. Years will come and years will go, but we will forever be remembered as "That Great Class of 1962".

Beginning our junior year, Tom Harris, became our president. Our sponsors were Mr. R. Lowe. Mr. L. Mason and Mr. Leo Harrison. We were proud of ourselves when Bobbie Williams became first attendant to Miss Blue Streak. Larry Miles became one of our News commentators with Edna Cannon. Alternative News Commentator and halftime Show announcer. Curtisteen Walker and Dorothy Smith had now become members of the cheering squad. Gloria Ezekiel and Catherine Phillips became attendants to Miss Sweetheart. Near the close of our junior year we sponsored a unique Junior & Senior Prom, with the Theme "Spanish Harlem". Music was rendered by JO JO and The Lagarters. Our Class colors were Lavender and White.

CLASS SONG

(Tune of Exodus)

By Larry Miles & Curtisteen Walker

- I
Dear South Girard the time is here to part
through years that we have shared with you.
We loved you true and dear—time passed so
swift—ly have seems as tho we only started
yesterday.
- II
So as the doors of high school close with us
we'll hold thy name up with praise, tho we
are leav-ing you, you'll still be by our side,
with the help of God I know that you'll be strong.
- III
Thy halls we walked in—stilled our hearts with light,
your campus filled our hearts with love. The
Ma-ny sorrow time re-veal our strife and pain,
Then we saw a love that we must hold for thee.
- IV
So take our hands—and walk this land with us
and give us courage to move on, to high-er claims
of fame, that we might hail thy name, glo-ry be
thy happy moment lies a-head
- V
To make you proud of us—we'll do our best to keep thy name with
love and praise—until the end we'll love you true.

CLASS POEM

By: Geraldine Chambers

We the members of the senior class,
must think of our future and not our past —
We are on our way to a new starting
indeed, it is time for our departing.

For many of us there will be sorrow,
and for others, there will be a better tomorrow —
The juniors are happy and glad
But as we leave, our hearts are sad

Some of us have a future to obtain
which will call for many heartaches and pains
It is left to us to do our best
and try to pass our future test

CLASS PROPHECY

JUNIORS MESSAGE

To the members of the Senior Class: Our unbounded gratitude for your cooperation throughout the year and for your interest in all that has pertained to our school.

In 1959 the need of a blueprint for living was more apparent than at any previous time. We are living today what will be history of tomorrow, and whether we wish it or not, our influence is tilting the balance of fate for or against us. To assure the balance in the right direction it becomes necessary for us to make definite decisions.

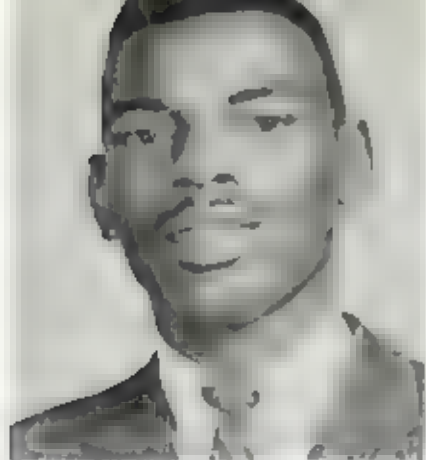

Plato said "Life unexamined is not worth living". We are urging you to become a persistent examiner of life: habitually inquisitive, so that you may prepare a functional philosophy for daily living. We do not refer to the type of surface questioning that breeds only cynicism, but to deep intellectual curiosity directed toward understanding what is and preparing for what ought to be. Only through such understanding are we capable of implementing ideas into tangible realities.

Our most sincere wish to you, that success is yours whatever you do.

SCHOOL SONG

Tune: (Oh Danny Boy)

*Ole South Girard
Our Pride and joy are with you
From day to day
As here we spend our time
We're loyal to
And hail you on to finer things
Just being here
Has made you dear to us.*

*Ole South Girard
Our faithfulness will always last
We'll cling to you
Tho' Long Ago we've Passed,
Throughout your gates
To other Milestones in our Lives
Ole South Girard, Ole South Girard,
You have our Praise.*
